Jesus Our Friend and Saviour

Jesus Christ is the only son of God. He loves us so much and he did so many wonderful things for both the children and the mature which we call miracles.

How does Jesus Christ show his love for us?

- By providing for us our needs.
- By protecting us from danger.
- By healing us from all our sicknesses.
- By showing us the right from wrong.
- By forgiving us our sins.

However, many times we do not listen to His voice, we don't pray, we become violent and disobedient, disrespectful which draws us far away from Him. As a result we became Satan's slaves which put us in trouble all the time. Would you want to be in trouble because of your failure to do the right thing that Jesus wants? Let's

look briefly at one of the interesting Bible stories that show Jesus' love for us.

"Jesus goes to Zacchaeaus' home"

As Jesus was passing through the city of Jericho with his disciples, many people approached him. They wanted his help on many things in their lives and families. As a result a crowd formed around him. Zacchaeus was a famous tax collector who wanted to see Him but he could not because he was too short. He tried to penetrate through the crowd but it was too thick. So he thought of a much easier way to see Jesus. He quickly got a ladder and climbed a nearby sycamore tree. When Jesus was going on about his way, he saw someone on the tree. Guess who it was! It was Zacchaeus. Jesus simply smiled at him and told him to come down. They became good friends and He agreed to go to Zacchaeus' home. (Luke 19: 1-10)
