HOLIDAY PACKAGE SET TWO

PRIMARY TWO 2020

Name: ……

Theme: <u>Things we make</u>

A: Sub- Theme: <u>Things we make at school and at home.</u>

1. <u>Crafts</u>

Crafts are the things we make from local materials using our hands. They include; pots, tables, bags, baskets, toy cars, dolls, chairs, bricks, hats, necklaces, mats, sweaters, sandals, shoes, mingling stick, brooms, carpets, balls, mortar and pestle, beds, charcoal stove among others.

We make these crafts for different purposes. For instance for playing, sitting on or at, skipping, wearing, keeping food, decoration, pounding, and selling to get money among others.

Craft are made using local materials like banana fibres, clay, banana stalk, woods, seeds, raffia, threads, palm leaves, papyrus, skins and hides, beads, among others.

The above local materials are got from different sources like swamps, banana plants, sisal plants, bushes, garden, forest, factory, palm trees and so many others.

Different crafts are made by specific people. That is to say, blacksmiths use iron to make things, welders make things from metals, carpenters make things from wood, and potters make things from clay and tailors who use clothes and threads to make crafts like sweaters,trousers and so on.
